"Hello this is a message for [redacted]. This is Brenda Haggard calling from the City of Elk Grove City Clerk's Office, and I just wanted to touch base with you about one of the files that we had provided to you in response to your PRA request that we provided last Friday.

We discovered after the fact that there is some personally identifying information for private citizens that we would like to redact and you know not have posted publicly. And if you could give me a call and let me know whether that is something that you would be comfortable with allowing us to do and getting you a new a new production of that organizational audit, that would be that would be awesome. I would love the opportunity to talk with you. My number directly is (916) 627-3453. It's about 11:00 on Friday May 1st and I will be headed to lunch but available in the office this afternoon any time after 12:30. Thank you so much I appreciate your consideration and look forward to hearing from you. Thank you, Bye."
